Dear Keepers of the Flame and Communicants worldwide,

It has come to our attention that some people are reported to have recognized David Lewis as our new “messenger” and are approaching The Summit Lighthouse Study Group Board members and community members to get them to join with David.

Mother and Jesus told us that in the latter days there would be many false prophets in the land who would imitate the voice of the masters and that there is a razor’s edge of difference between a true and a false messenger. There are at least eight people currently claiming the mantle of Messenger. This is not something to be taken lightly. Mother explained that souls who unwittingly or knowingly follow the false hierarchy can lose, overnight, all light that they have garnered in many years of service.

Clearly, these current “messengers” use divide-and-conquer tactics to try to separate the body of God and undermine the foundation of the mission that our messengers Mother and Mark have laid for us, while claiming to affirm it and to support their lineage and mantles. The false hierarchy working through them uses clever and subtle techniques to take souls off the path. These messages contain appeals to the ego and psychic hooks that trap the unwary with flattery, false logic, lies, pseudo-“love” and imitation of the voice of the true shepherd.

We faithfully uphold the mantles of Mother as our Messenger and Guru. We completely reject the claims of David Lewis and others to messengership. May you prayerfully consider the ramifications of the choices to be made in these times, for as Jesus said, “No man can serve two masters” (Matthew 6:24). May God bless us all as we stand shoulder to shoulder to uphold the Guru-chela relationship and reject false gurus.

As previously stated, David Lewis is no longer a Keeper of the Flame or a communicant and our church is not recognizing him as a messenger for the Great White Brotherhood. Please understand that these are not “harmless messages from the masters.” After some deliberation, it is the conclusion of our leadership that they are sponsored by the false hierarchy imposters of the Great White Brotherhood.

Please stand firm in your support of our organization and our Messengers, Mark and Mother. Our beloved Mother is our Messenger and Guru. We need to stay true to her. If in the future the Brotherhood wants to raise up a messenger, our Church Articles and Bylaws have a carefully defined, orderly process by which a legitimate applicant may be carefully, lovingly, and with deliberation recognized. David Lewis and others have sought to by-pass this process and skirt the rigorous safeguards that the masters intended.

For these reasons, the Board of Directors and the Elders have determined that David Lewis is not the messenger of the Great White Brotherhood. Therefore those who promote him or support him are not authorized to attend any of our groups. They may not call meetings or give out promotional materials, give lectures or address community members in any way or play David Lewis’ “dictations” at study groups and teaching centers.

Thank you very much for your understanding and for your prayers in this difficult time of challenge for our beloved Summit Lighthouse and Church Universal and Triumphant.

In the love of Christ,

*The Board of Directors*

*The Council of Elders*

*The Ministerial Council*
